

59A-18.007 Registered Nurse and Licensed Practical Nurse.

The registered nurse and the licensed practical nurse shall:

(1) Be responsible for the clinical records for their patients. The clinical records shall be filed with the nurse registry, for each patient or client to whom they are giving care in the home or place of residence or when they assess the care being provided by non-licensed independent contractors, pursuant to Section 400.506(10)(c), F.S. Clinical notes and clinical records related to care given under a staffing arrangement are maintained by the facility where the staffing contract is arranged;

(2) Be responsible for maintaining the medical plan of treatment with clinical notes and filing the initial medical plan of treatment, any amendments to the plan, any additional order or change in orders, and a copy of the clinical notes at the office of the nurse registry;

(3) The licensed practical nurse shall be under the direction of a registered nurse, or a physician licensed pursuant to Florida Statutes, as required under Section 464.003(3)(b), F.S.
